A. Introduction

B. Presentation of the living sacrifices

1. The Basis

- The mercies of God

2. The Extent

- Our bodies in its totality

C. Distinctiveness of the living sacrifices

1. Non-Conformity to the world

- World refers to the self-centred and sin-tainted philosophy of life under the sun
- Do not go with the flow of the age nor allow the world to sequence us into her mould

2. Transformed by the renewing of our mind

- Spiritual battles are often first fought in our mind
- Having a mind renewed by God's word allows us to follow His will

D. The Living Sacrifice

- Christ is the Living Sacrifice that we may be the living sacrifices to God
